### ***Reasons for allowance***

The following is a statement of reasons for allowance:

Upon consideration, the inclusion of the claimed ink jet recording head, as claimed in the combination, is not found in the prior art. The primary reasons for allowance is the following claimed limitation is not taught by the prior art:

1. An ink jet recording head comprising: a recording element base plate provided with a plurality of recording elements for discharging recording liquid, and a plurality of supply ports arranged on a face opposite to a surface having said recording elements thereon for supplying the recording liquid to said recording elements; at least one recording element unit having a portion for incorporating said recording element base plate, and a wiring base plate to apply electric pulses to said recording element base plate for discharging the recording liquid when connected with said recording element base plate; and a supporting member for holding and fixing said recording element base plate; wherein said supporting member is provided with a plurality of supply flow paths for supplying the recording liquid to said supply ports of said recording element base plate, respectively, and a width of each of said supply flow paths is formed so as to be smaller than an opening width of an inlet portion of each of said supply ports.

The Examiner has performed hand extensive and exhaustive search resulting in the finding of no prior art disproving novelty or nonobviousness of the instant invention. The Examiner further acknowledges ITO et al. US Patent Publication No. 2004-0165028 is no longer available as prior art in light of the English-language translation of Japanese Patent Application No. 2000-270226 which is the priority application for the subject application.

Art Unit: 2853

Since no other prior art teaches or suggests the claimed invention, the independent claim is deemed allowed. Further, the dependent claims are allowed since they depend from dependant base claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
